

EYFS Summary of Learning - Summer 2026

Communication and Language		Physical Development	Personal and Social Development
<p>To develop our communication skills through talk using stories to develop an enriched vocabulary. Adults will support us to form sentences verbally and hold a back-and-forth conversation, and there will be many opportunities for us to share thoughts, experiences and stories with peers and adults.</p> <p>Mrs Downing will continue to teach us some Makaton signs.</p>		<p>P.E. days are Tuesday and Friday. Please make sure all jewellery is removed before school on these days.</p> <p>In P.E. we will be improving fundamental movement skills, which will focus on: Travelling in different ways and speeds, gymnastic rolls, balances, jumps, and throwing overarm and underarm.</p>	<p>This term we will continue developing independence, making sure we are able to dress/undress ourselves and fasten coats.</p> <p>There will be a lot of emphasis on looking after belongs and putting them away when we do not need them. To help with this, please make sure all items of clothing are named so that they are easily identified.</p>
Maths	English		R.E
<p>This term we will be building on our knowledge of: Number and Place Value by learning that numbers can be odd or even, can be doubled or halved and can be partitioned We will also continue to estimate amounts of objects up to 20 and learn that teen numbers are ten plus some more.</p>	<p>This term we will focus on two texts, <i>The Magic Paintbrush</i> by Julia Donaldson and <i>The Night Pirates</i> by Peter Harris and Deborah Allwright. The texts will help to develop our skills to write, giving us lots of mark making and phonics practice as well as understanding story structure so that we can create our own story at the end of the units.</p> <p>This term we will continue to split into Read Write Inc groups to support our individual learning needs in reading, spelling and writing. Please also support your child to practise their sounds or read their schoolbook every day. Remember to mark in their reading records so children can move along the Reading Rainbow.</p>		<p>In R.E we will be learning that Jesus went back to His Father in Heaven and that He sent a special friend, the Holy Spirit, to be with us.</p> <p>We will learn and celebrate Pentecost.</p> <p>We will learn about the first Christians and that we are all God's children, which makes us all brothers and sisters.</p>
Expressive Art and Design	Understanding the World		
<p>We will make, decorate, draw and paint items and objects that relate to the class texts using our skills to design and improve our creations.</p>	<p>Our class texts will link with our History and Geography topics, helping us to explore people, cultures and communities of the world. We will learn about past and present, including in our own lives, and notice similarities and differences between our lives and others'.</p>		

Thank you for your support through the Spring Term. Mrs Bailey and Mrs Barska are always available to answer questions, celebrate your news from home or reassure you and your child should you have any worries.
