

Year 2 Summary of Term's Work - Autumn 2026

Maths	English	Science	R.E.
This term, we will be working on practising our 2 times table probes. We will also be covering parts of Number and Place Value, Addition and Subtraction, 2D shapes, Position and Direction in length and using money in calculations. We will be looking at different strategies to help answer different questions and using practical equipment to help too.	In English, Year 2 will be completing Read Write Inc which is our phonics scheme in school. Your child will be put into a specific group based on their sound gaps and the children will be given a reading book linked to the group they're in which will help them to close the gaps. We will also be writing our own adventure story based on reading a book called The Minpins as well as writing a narrative about bravery based on the book- The Bear and the Piano. In Autumn 2, we will be writing a non-chronological leaflet based on the book- Wolves as well as writing a sequel story based on the book- Jim and the Beanstalk.	This term, we will be looking at Living things and their habitats. The children will be able to recognise different habitats and different plants, animals and micro animals that live there. We will also look at how different habitats provide the basic needs of different kinds of animals and plants and how they depend on each other, food chains and we will do lots of practical activities too. We will also look at microhabitats too and describe their conditions and basic needs.	In R.E this term, we will be thinking about Creation and Covenant and Prophecy and Promise. In December, we will also be practising hard for the Nativity. We will also look at our Monthly Values in depth and think about how these link to the Bible and our everyday lives.
History/ Geography/ Art/Music/Computing/ D.T.	P.E.	Other Information	
During this term, we will be looking at how schools were different in the past in History. In Geography, we will be focusing on Continents and hot and cold places around the world. In Art, we will be looking at drawing and understanding different tones and textures. In Music, we will be thinking about animals: call and response. In Computing, we will be looking at computing systems. In D.T, we will be looking at mechanisms and making levers.	P.E. is on a Tuesday afternoon and a Friday afternoon. Please make sure your child has their school P.E. kit and trainers in school. Please remove all jewellery!	Reading- Please listen to your child read and read to them as this helps with their reading and comprehension skills. The more they read at home, the more they can progress through the Reading Rainbow. General- Please don't hesitate to contact me through school.	

Thank you for your support and help this term- Miss Jones
