

Year 6 Summary of Term's Work - Autumn 2026

Dear Parents and Carers,

We would like to share an overview of what your child will be learning this half term in Year 6. We are looking forward to a busy and exciting term ahead and appreciate your ongoing support.

Maths	English	Science	R.E.
This term, the children will develop their understanding of: • Place value • Addition and subtraction • Algebra • Measures • Multiplication and division • Negative numbers • Shape and measurement • Fractions and percentages	In English, we will be reading the book <i>The Invention of Hugo Cabret</i> and focusing on: • Grammar and understanding different word types • Writing in a range of genres and for different purposes • Using punctuation accurately, including commas, colons, semi-colons and hyphens • Weekly spelling activities and tests Please support your child by helping them learn their spellings each week.	Our topic is Living Things and Classification. Children will: • Learn how living things are grouped and classified • Explore the characteristics of different animals and plants • Learn about vertebrates and invertebrates • Discover the work of Carl Linnaeus • Use and create classification keys • Find out about micro-organisms and their role in the natural world	We will be studying Creation and Covenant, including: • The History of Salvation • Moses and the Exodus • God's covenant with the Israelites • Jesus' teachings and the theological virtues

Foundation subjects	P.E.	Other Information
Art Children will explore photography, learning how to take effective photographs and use them creatively in artwork. History We will investigate our local area and use census information to find out more about the people who have lived there over time. Geography Our focus will be on population change and the reasons why populations grow or decline. Music Children will develop their understanding of rhythm, beat and a variety of musical styles. French We will learn vocabulary to help us talk about ourselves and describe other people.	Swimming: Thursdays. Please ensure your child brings: - Swimming costume/trunks - Towel - Swimming cap if their hair is long enough to cover their eyes P.E.: Fridays. Please make sure your child has: - Full P.E. kit - Suitable footwear For safety reasons, all jewellery should be removed before P.E. lessons.	Staffing Miss Slater will be teaching the class, supported by Mr Slaney. Homework and Reading We ask that all children complete their homework on time. If your child needs support, Homework Club runs on Monday, Tuesday and Wednesday lunchtimes and they are very welcome to attend. Reading is an important part of Year 6. We encourage children to read at least four times each week, and we look forward to seeing them progress through our Reading Rainbow challenge.

Thank you for your continued support. We look forward to a successful and enjoyable term together.

Kind regards,

Miss Slater & Mr Slaney
